Midmorning: 120/121/122 Midday: 123/124/125 Midafternoon: 126/127/128 Omitted Psalms: 58, 83, 109, 95							

Before you trim the panels, score along the vertical middle line for easy folding.
If you are using a knife, the back of the blade (non-cutting edge) works well for this.
Glue the back (s glue stick works well for this)
Then fold the two halves together to form a single card.
Then trim off the sides and discard these marginal notes.
